WLIX·540AM

April 9, 1987

William Burrows
709 Division Street
Gloucester City, NJ 08030

Dear William:

This is to confirm your reception of WLIX RADIO on June 15, 1986 from 3:56 PM - 4:14 PM. WLIX operates on a frequency of 540 KHz at a power of 250 watts, daytime.

Our broadcast hours are from 5:00 AM - 10:00 PM. We are affiliated with the UPI News Audio Network. Our transmitter is located in the town of Islip. Our tower is located near the junction of the Southern State Parkway and Route 111. Our format is Adult Contemporary Christian.

Our furthest DX report has been from West Germany in the early evening in April of 1982.

Thank you for your interest in WLIX, and please pardon the delay in responding to your QSL request.

Sincerely,

WLIX RADIO

John Bennett
Operations Manager/Chief Engineer
